

207

Description:

Seven days a week, 207 offers hotel guests and local patrons a hip, yet unpretentious bar & club to enjoy a vast selection of wine, beer and ultra-premium spirits. Located at the entrance to downtown's Gaslamp Quarter, 207 is a short walk from the Convention Center and steps away from the trolley station.

207 is an ideal place for casual conversation over cocktails on the sunny outdoor patio, stopping in before a Padres game, or catching any sports game on one of our 12+ flat screen TV's. On weekend nights, it's one of San Diego's hottest and friendliest Downtown San Diego clubs, with some of the city's best events, entertainment, and DJs.

As our guest, you'll receive free VIP access for two. If you're in town for an event of your own, give us a call about Table Service and the best seats in the house.
